Bright Outlook for Delta Gamma Chapter

Dodd Hall Looks for New Trustee Members

Greetings from Dodd Hall!

Last year was a *good* year but this could be a *great* year for our chapter. With sophomores allowed to live in the house again, a new enthusiasm exists. Thirty-four brothers now reside in the chapter house, compared to 27 last year. This is the most residents we've had in recent years and will allow for the chapter and Dodd Hall's budget to come together nicely. Our 84 actives and 10 fall pledges place us in the top five largest chapters of all fraternities on campus. We are also adjusting well as a dry house—the same as all other Miami fraternities. The chapter's excellent executive officers are led by SMC **Ross Simpkins '09**. They are a mature, experienced, and dedicated group, as you can see from the picture on page 2. I expect great results from them.

Our associate chapter advisor from last year, **Matt Ryan '02**, has volunteered to become chapter advisor. Matt, a former SMC, looks forward to working with Ross, the executive board, and the chapter. Former Chapter Advisor **Bob Riebel '66** will specialize his support in the areas of recruitment and pledge education. These are two vital areas in maintaining and improving chapter excellence. Thanks, Bob, for your years of service as chapter advisor!

G.P.A. Growth

The chapter finished with a G.P.A. over 3.00 for the second straight year! Our 28 new spring actives brought excellent academic results to the chapter and will help us move even further up the fraternity rankings. Academic Advisor Jerry Miller has been extremely instrumental in grade improvement. Thanks, Jerry!

Annual Campaign Results

Our spring/summer annual campaign garnered \$5,310 from 58 donors. Every dollar was greatly appreciated by the chapter and Dodd Hall. This funding allowed us to complete additional maintenance and improvements over the summer. Especially generous donations were made by **Ed Huette '61**, **Ron Fanning '54**, **John Amos '59**, and **Clair Howey '54**. Contributions can be sent at any time to Delta Gamma of Pi Kappa Alpha at P.O. Box 8437, West Chester, Ohio 45069. A full listing of donors can be found on page 4-5 of this issue. A sincere phi phi thank-you to all who gave!

House Improvements

With a fairly tight budget, we still managed to make a

significant number of summer repairs and improvements. Some May vandalism added to our list of necessary maintenance in the Green Room and Donna's Café. Reconditioning and upgrades included:

- new Green Room doors
- security cameras
- several new windows and exterior doors
- bathroom cabinet repairs
- new interior Pi Kappa Alpha letters, shown below
- new porch lights
- paint, where needed
- landscape touch-up

These are all in addition to our "normal" summer time repairs, maintenance, and heavy-duty cleaning.

The new PKA letters and track lighting, donated by faculty advisor Jerry Miller, are located between the foyer and lower level.

Dodd Hall Trustees Needed

We would like to energize our Board of Trustees with four or five new members to actively assist the chapter in various ways. We could definitely use an injection of youth, but older or retired brothers with an area of passion are warmly welcomed. Areas of passion could be alumni relations, landscaping, marketing, fundraising, history and memorabilia, etc. Living close to Oxford would be beneficial in some of these areas, but with others, you could live anywhere. We all have different talents. Could your talent help our chapter? A strong, active board helps to ensure a stronger chapter. If interested, contact me or **Dr. Roger Harris '62** at whole-tooth@aol.com.

CHAPTER HONORED WITH 100-MAN CHAPTER AWARD AND 100% φφκκ AWARD AT NATIONAL CONVENTION

Delta Gamma Plans to Continue Philanthropic and Intramural Success, Introduce New Traditions

Since our return for the fall semester, Delta Gamma has been hard at work getting things in place for the 2011-12 school year. **Mark Stratis '09** has created a new chapter website, www.muohiopike.com, and Recruitment Chairman **Pat Byrne '10** recruited an outstanding new pledge class of 28 men.

Delta Gamma Garners National Attention at Nashville Convention

Over the summer, brothers **Vince Landreville '11**, **Brendan Barry '11**, and **Michael Vassar '11** attended the national convention in Memphis, Tennessee. I am proud to announce our chapter walked away with several awards: 100-Man Chapter Award, Level 2 Recruitment Award, 100% φφκκ Award, International Work Day Award, and a scholarship award for our chapter G.P.A. exceeding the all-fraternity average.

Annual CancerFree Kids Event to be Held October 8 before Army Football Game

There is plenty to be excited about for the year. After placing fourth of all fraternities last year in intramurals, we once again competed in Division I sports against seven of the best fraternities on campus. With a strong sophomore class, and several key upperclassmen returning, we hope to take home championships in several sports. Community Service Chairman **Austin Toler '10** will keep the chapter involved with several service events this semester, specifically with the animal shelter. Our annual Twister Tournament philanthropy was held Saturday, October 8 before the Miami home football game against Army to raise funds for our charity, CancerFree KIDS.

Delta Gamma Brings Back Fireman's Ball Tradition

In the Pike social world, we are bringing back an old tradition this semester. After speaking with alumni last year, we heard about the Fireman's Ball that formerly took place at the house. I am happy to announce we are bringing this tradition back to Delta Gamma and will have a dinner and dance at the ballroom of the Elms Hotel in uptown Oxford. Unfortunately, we can't pick up our dates with the fire truck, like they did when the Fireman's Ball first originated, but it is sure to be a great time.

It is hard to realize my term as chapter president will soon come to an end. For the past three years, I have dedicated countless hours to making this chapter the best it possibly can be, now and for the future. We must remember: we are not Pikes for our four years at Miami, we are Pikes for a lifetime.

Brothers at last year's Twister Tournament event to benefit CancerFree Kids. This year's event took place on October 8, before the Miami vs. Army football game.

Delta Gamma Provides Sam Flannery '80 with Skills to Make a Difference

*CancerFree KIDS Organization and Delta Gamma
Provide Lifesaving Research for Children*

For **Sam Flannery '80**, there was only one way to be a fraternity man. "I wasn't altogether certain I wanted to join a fraternity. But after feeling so welcome at the Pike house, I exclusively rushed at Pike and really felt like I fit in." The sense of ease that Sam felt in his early visits to Pike would build the foundation for friendships that would last not only during his years at Miami at Ohio but also 30 years later in life.

"This August I attended our 22nd annual golf outing. Every year, brothers from as far away as California, Texas, South Carolina, and New York make it back to Chicago for the reunion. It's very impressive to see how many faithfully attend; there have even been the extreme folks who actually leave their family vacations at the beach to join 'the Boys' in Chicago and return to their families on Sunday night. Now that's dedication!"

Lasting friendships like these are the center of Sam's favorite Pike memories and are what he advises undergraduate Delta Gammas to look for. "The guys who are your brothers now will likely be your best friends for the rest of your life; you've lived with these guys in situations that will likely never be repeated. You've become friends with these brothers because you truly get along with them, not because you share an office or your kids play on the same ball team. You will not have this same opportunity again in the rest of your lives, so be sure to cherish it."

THANK YOU, LOYAL ANNUAL CAMPAIGN CONTRIBUTORS

Thanks to the support of generous alumni, we raised \$5,310 in our 2011 annual campaign appeal. The success and achievements of the Delta Gamma Chapter are directly attributed to the support and involvement of our alumni. Active brothers are grateful for and proud of the support they receive from you. The following is a list of contributors to Delta Gamma's 2011 annual campaign. If an error has

been made in recording the amount of your gift, or if we have mistakenly omitted your gift, we sincerely apologize. If a correction to your giving record is needed, please send it to Dodd Hall Inc., P.O. Box 8437, West Chester, OH 45069.

Delta Gamma Provides Skills to Make a Difference

(Continued from page 3)

Sam's involvement in Pike has given him friendships that have lasted a lifetime and serving as house manager and sergeant-at-arms also established leadership skills that prepared him for a future of changing lives. In 2002, Sam and his wife, Ellen, founded CancerFree KIDS, an organization that raises money for research that does not always qualify for National Institute for Health funding. "After our daughter, Shayna, was diagnosed with Retinoblastoma, Ellen and I were impressed with all that was offered to Shayna as a cancer patient—trips to Disney World, financial support for travel, etc. But what we really wanted was all that money to be focused on finding a cure for the disease. When Shayna was declared cancer free, Ellen and I decided we needed to do what we could to change that. Eight years later, we have funded over 40 research projects and raised well over \$1.5 million for the cause."

"I've been very impressed with how the current Miami Pikes have supported our organization. They held a Twister Tournament, which raised a considerable amount of money for CancerFree KIDS. I realize college-age kids don't have much money to spend, and the little that they do have would be difficult to donate to a charity. Even so, these gentlemen found a way to raise nearly \$800 and donated it to CancerFree KIDS. It made me more proud than ever to be a Pike."

Sam Flannery '80, with his wife, Ellen, and their two children Max and Shayna at a CancerFree Kids event in 2009.

Today Sam and Ellen live in Cincinnati, Ohio, with their children, Max (17) and Shayna (14). In his spare time, Sam enjoys playing golf and spending time at CancerFree KIDS events. "It has really become our lifestyle. With several events every week, our social calendar is pretty well run by CancerFree KIDS. The great part about this is that such wonderful people get involved in these charity events. Ellen and I are very fortunate to have become so close with such giving and caring folks through CancerFree KIDS. This community comes close to the bonds formed at the Pike house, but not quite."

To contact Sam, e-mail him at sam@williams-gray.com.

ALUMNI UPDATE

CHAPTER ETERNAL

Edmund L. Russell '47 entered Chapter Eternal July 13, 2010. Edmund was retired from the oil industry and lived in Bakersfield, Calif.

Edwin F. Koch Jr. '49 entered Chapter Eternal March 17, 2011. A Nashville, Tennessee, native, Edwin received a B.S. in nautical science from the U.S. Merchant Marine Academy, a B.A. in chemistry from The University of Miami Ohio, and a doctor of medicine from Indiana University School of Medicine. He was an active member of the Indiana medical community and an active duty lieutenant in the U.S. Naval Medical Corps; Edwin also served on the staff of Ball Memorial Hospital for 33 years. After a battle with Parkinson's disease, Edwin passed at Royal Megansett Nursing Center surrounded by his two daughters, Helen Koch and Barbra Koch.

Richard M. Bottorf Jr. '53 entered Chapter Eternal on February 9, 2011. Dick was an avid golfer and enjoyed spending time at his cottage on Canandaigua Lake. Over the course of his career at Gannett Newspapers, he served as publisher of the Burlington Free Press, regional vice president and vice president of operations at Gannett Corporate Headquarters, and publisher of the Norwich

Bulletin. He was active in Kiwanis, Rotary, and the Lions Club. Dick is survived by his wife, Sara Lee; sister, Georgiana; brother, Frank; children, Lori and Jennifer; and grandchildren.

Robert W. Walker '57 entered Chapter Eternal on December 4, 2010 as a result of non-Hodgkin's lymphoma. He resided in New Berlin, Wisc.

Steven J. Shepp '77 entered Chapter Eternal.
