ALUMNI GATHER TO CELEBRATE 60 YEARS OF DELTA GAMMA A SPECIAL DONATION IS MADE

There's so much to share with you since our last *Pikes' Peak*, so let's get going!

60-YEAR REUNION

On September 15, 2007, the chapter celebrated its 60th anniversary at the Hueston Woods Lodge outside of Oxford. The reception, dinner, and program had originally been planned by **Dr. Roger Harris '62**, our alumni president, for February 17, 2007, as our official founding date is February 15, 1947. Poor weather forced a postponement until September.

Thirty-seven alumni and undergraduates enjoyed the night and program Roger had laid out. Unfortunately, Roger's job forced a relocation to Andover, Massachusetts, and he missed the event. However, all those in attendance greatly appreciated his efforts.

UNDERGRADUATE CHAPTER

The undergraduate chapter is steadily growing and improving. It is the best and largest—over 60 members to start the school year and prior to deferred recruitment—in many years. An excellent set of officers, led by SMC **Paul Robson '06** from the West Chester/Cincinnati area, has the chapter poised for a great year.

CHAPTER HOUSE IMPROVEMENTS

Summer brought an opportunity to carry out numerous improvements (both large and small) to the house. Our increased membership and generous alumni helped fund over \$38,000 of upgrades to our facility.

The lead project, renovating the bathrooms, finally became a reality. The first floor bathroom was blessed with its first major makeover in 40 years. Improvements and additions included eye-catching ceramic tile, a new vanity area, stylish lights, fresh paint, much-needed privacy partitions, and other updated amenities. The cave bathroom received a partial renovation and now serves as a unisex restroom. Water fountains were added to the first floor and lower area for the first time in 12-15 years. The front doors and surrounding area were painted, and the downstairs tile was repaired. The chapter house also became one of the first on campus to have a totally wireless Internet system installed. An alumnus generously offered to pay for this \$2,000 upgrade.

Alumni, undergraduates, and guests celebrated Delta Gamma at the 60-year reunion in September.

ANNUAL CAMPAIGN SUCCESS

The summer renovations would not have been possible without alumni donations. In one of our most successful campaigns, 75 alumni sent in more than \$9,000! Thank you so much! I'd like to share with you several interesting facts about the donations. Six of the contributions came from 1940s initiates, including three from our first year: **Walter**

Haines Jr. '47, Richard Bennett '47, John Akerman '47, John Hyer Jr. '48, Byron Armstrong '49, and Doug Jameson '49. Once again, "Once a Pike, always a Pike" proved true.

BEEKEN MEMORIAL

This summer, **Don Howell '70** put Connie Carruthers Beeken in touch with me. Her father-in-law was **Hector Beeken '47**, one of the chapter's first members, and her husband was **Don Beeken '71**, who had recently passed away. Connie was also a Pike Little Sister.

She asked if we would like some of their memorabilia and if she could make a contribution in memory of Hector and Don. I suggested sports jerseys for the chapter team, as Don played numerous sports for Delta Gamma. A short time later a box arrived with Hector's initiation certificate, pictures, and a very generous donation covering the jerseys and much more! This contribution was the largest we received. A jersey along with some of the memorabilia will grace our trophy case.

Connie Carruthers Beeken made a donation in honor of her late husband, Don Beeken '71, and his father, Hector Beeken '47, including memorabilia. This picture was taken during Homecoming 1974.

CHAPTER MEMBERS ENJOY HOUSE RENOVATIONS BROTHERS SUCCESSFUL ON CAMPUS

nly seven weeks into the academic year, we have already found great success in many aspects of the chapter. Pushing toward excellence in academics and philanthropy, we find ourselves improving already. Recruitment efforts are well under way for the chapter total to reach 80. Alumni support and involvement is very much appreciated and strongly encouraged.

Summer 2007 was an adventure for both the Delta Gamma Pike brothers and the chapter house. Brothers competed in marathons and participated in study abroad programs that took them to Europe and Asia, mission work in Mexico, and internships in various cities across the United States, including the PGA tour. Back in Oxford, the Pike house received a \$38,000 renovation to the first floor and lower level bathrooms, a very welcome change for the returning brothers.

On October 7 Pike proudly teamed up with the women of Alpha Xi Delta for the second annual Twister Tournament. Headed by **John Brust '06**, teams of four competed to win prizes and take home the envied Golden Fire Truck Trophy. The event was a success, recruiting over 40 teams of both Greeks and non-Greeks alike. With more than 300 people on Cook Field that day, including a DJ, it made a huge statement to the Miami University campus. The event raised over \$1,000 to benefit the David P. Campbell Foundation for Pediatric Mitochondrial Disease and The Oxford Fire Department.

Pike had a great run in Greek Week 2007, placing second in soccer, fourth in kickball, fifth in track, and eighth in bandstand. We are excelling in intramurals, as well. The Pike hockey team has not lost a game; the most recent game was called due to the 10-0 mercy rule. Having recruited many soccer players, our chapter team remains one of the toughest on campus. In addition, Brother **Jeremy Henson '05** starts as linebacker for Miami Club football, and we have shown our support by watching his games in Yeager Stadium.

We recently celebrated Delta Gamma's 60th anniversary. It was a great time for the collegiate members to come together, share stories, and learn from

our alumni brothers. It was a very rewarding experience to host men from the very first pledge class of Pi Kappa Alpha at Miami through our most recent pledge class.

The fall pledge class is being led by Pledge Educator **Tyler Chini '07**, who is pushing these young men to reach their full potential. There are seven men pledging this spring, which is a large improvement over last year's three. They are quickly learning the values and striving to become true Pikes. Recruitment is thriving as we draw positive attention to ourselves all over campus. A realistic goal of pledging 25 men in the spring, including the seven current pledges, would put our active enrollment up to 87. Also, we have recently activated **Nate Vazquez '07**, a transfer from the very successful Alpha Xi Chapter at the University of Cincinnati.

It was a pleasure seeing many of you at the 60th anniversary dinner in September. We greatly encourage all alumni to come by and share with us experiences and considerable knowledge.

Fraternally,
Paul Robson '06
Chapter President

Alumnus Encourages Brothers to Remain Involved with the Chapter

Fraternity Helped Develop Life Skills

At Miami University, the Greek system has a strong presence, and **Walter Frank '56** found Pi Kappa Alpha to be a friendly and welcoming chapter. He is grateful to the fraternity for helping develop his social skills, which have been valuable assets to his success in life. He recommends brothers stay active with the fraternity because he believes in giving back some of the benefits he received.

He is grateful to the fraternity for helping develop his social skills, which have been valuable assets to his success in life.

Walter earned a bachelor of arts in sociology and feels strongly the fraternity helped him as an undergraduate. When he arrived at Miami, Walter didn't feel his high school years had been very successful academically. At the university, he was able to find himself, mature, and have a very successful academic and social experience. The fraternity was crucial to this development. To undergraduates, Walter advises focusing more on the learning experience than memorizing. "Learn how to gain information and use the information productively."

Walter is employed at Merrill Lynch as a vice president senior financial advisor. The structure consists of teams, each with four financial advisors and two associates. "I think good leadership is good followership." He goes on to say, "Good leaders have the ability

to recognize what the people they work with need, as well as the goals, and help achieve those goals. As a leader you have to be open to take prudent risks." He recommends viewing things from a long-term perspective rather than the short-term.

For recent graduates beginning their careers, he strongly recommends being open, honest, and to do a lot of exploring. Find out what your passions and strengths are and what motivates you to get out of bed in the morning. "Too much emphasis is placed on material success. My experience is people who are successful often do well materially. Too often we put the cart in front of the horse." Walter also believes people worry about making money and not doing good work. Family has been an important part of who Walter is and his successes. He also realizes finding balance is often hard when developing a career, though the balance becomes critical over time.

Walter Frank '56 recommends brothers stay active with the fraternity because he believes in giving back some of the benefits he received.

At the recent Delta Gamma 60th Anniversary dinner, Walter sat by **Ron Fanning '54**. They reminisced about a trip four brothers took to Mexico for Pi Kappa Alpha's first international convention. Walter describes the trip as a life experience filled with memories. It was a road trip in his father's car and roads in Mexico were not reliable, as they found themselves in a dry riverbed. Walter said it was a fantastic time they all remember, even with the bad roads, near drowning while scuba diving, and a close encounter with sharks.

Today Walter and his wife, Mikki, live far from sharks in Cincinnati, Ohio. Walter has a daughter, Cheri, and two stepsons, Richard Levey and the late Stuart Levey. He can be found spending time with his five grandchildren and enjoys cycling, sailing, and professional writing in his field.

ANNUAL CAMPAIGN CONTRIBUTORS

(since fall 2004)

Thanks to the support of generous alumni, \$9,280 was contributed through 75 gifts to our spring 2007 appeal. This sets the record as the most money raised in one semester of our ongoing alumni relations campaign. The successes and achievements of the Delta Gamma Chapter are directly attributed to the support and involvement of its members. Active brothers are grateful for and proud of the support they receive from alumni.

The following is a list of contributors to Delta Gamma's ongoing annual campaign. This list reflects contributors since the fall of 2004. If an error has been made in recording the amount of your gift, or if we have mistakenly omitted your gift, we sincerely apologize. If a correction to your giving record is needed, please send it to Dodd Hall Inc., P.O. Box 8437, Westchester, OH 45069.

Thank you for your generosity to the Delta Gamma Chapter!
