## DELTA GAMMA RELISHES NEW ROLE AS POWERHOUSE ON CAMPUS

- Over \$38,000 in House Improvements Completed during Summer and Fall
- Annual Campaign Celebrates Five Years and more than \$73,000 Raised

meetings from Dodd Hall!

Over \$38,000 in major improvements were made over the summer and fall. Included were reconditioned front porch steps, refinished entry, a refinished and repositioned bar, inside stairwell improvements, new reverse-lit letters that can be seen from High Street at night, a seven foot privacy/security fence in the back, and Donna's Café/TV room where the bar was. The café turned out great and is a very fitting tribute to Donna Churchman. **Be sure to check out pages 4-5 for photos of the café and our other completed summer and fall projects that were unveiled during Homecoming!** Overall, the chapter house looks great and I think you would all be proud of it. I want to thank **Vail Miller '90** for his help in restoring the fire engine. His generous support of this project has restored the icon to its former glory. Dodd Hall, the undergraduate chapter, and all alumni are truly grateful to Vail for taking on this worthy project!

Following a summer of winning numerous national awards, including a Chapter Excellence Award, the undergraduate chapter has really excelled. The men are improving in every facet of fraternity life and competing with all chapters on campus. This was proven in September as National Consultant **Steven Aveni, Delta Alpha '05**, rated Delta Gamma

at 3.25 (out of 4.00) and helped lay a blueprint for a Smythe application.

This year the chapter started with 92 members—before our main winter recruitment push—and one of the largest chapters on campus. SMC **Andrew Cornick '07** and the executive board have done an excellent job!

### THANK YOU, GENEROUS ALUMNI

Our most recent campaign appeal brought in \$6,624 from 63 donors. Especially generous donations were made by **Ron Fanning '54, John Amos '59, Robert Siravo '62, Roger Harris '62, Chris Burger '68, Joel Givner '73, Ron Bachman '78, Kelly Jones '78, Mike McConkey '91**, and Vail Miller. This brings our five-year total to \$73,445 from 255 alumni. Thirteen brothers have given at least \$1,000, while 49 have given at least \$500. Thanks to all those who contributed this year, and we ask everyone to consider making an annual contribution! See the donor list on page 5 for up-to-date contribution results.

Dodd Hall President Terry Raulin '69 presented an appreciation plaque to Vail Miller '90 during Homecoming for refurbishing the chapter's fire truck. A duplicate plaque was presented to SMC Andrew Cornick '07 to be displayed in the trophy case at the house.

### DODD HALL WELCOMES NEW MEMBERS

To help the chapter, Dodd Hall has named two former SMCs, **Matt Ryan '02** and **Brandon Rawot '03**, as new trustees and assistant chapter advisors. They attend chapter and committee meetings and offer

## CHAPTER ACHIEVES NEAR EXCELLENT STATUS AFTER VISIT FROM NATIONAL CONSULTANT

- Delta Gamma Garners Numerous Awards at Pike Academy
- Smythe Award Within Reach

The Delta Gamma Chapter was recognized nationally and achieved success locally during the summer and fall months. We have accomplished many goals and are poised to reach new heights this spring and for years to come.

### Delta Gamma a Near Excellent Chapter

This fall, **Steven Aveni, Delta Alpha '05**, the Great Lakes region chapter consultant, made his annual visit to Delta Gamma. The score of 3.25 out of 4.00 that we achieved represents our growth and success—Delta Gamma now ranks as a near excellent chapter and we hope our successes put us in contention for a Smythe Award.

## CHAPTER ACHIEVES NEAR EXCELLENT STATUS

(Continued from page 1)

### Chapter Brings Home Numerous Awards at Pike Academy

Through the year-end summary, we applied for many national awards, ranging from specific programming awards to overall chapter excellence awards. At the August Pike University Academy in Memphis, Delta Gamma was recognized multiple times. We received an award for 100% donations to the Phi Phi Kappa Alpha Educational Foundation, a participation award, and a \$150 grant for completing a successful International Work Day, the Class I Recruitment Award, and the Raymond L. Orians Chapter Excellence Award, which is given to chapters that score in the top 20% on the year-end summary.

National Chapter Consultant Steven Aveni, Delta Alpha '05, (center) visited with Dodd Hall Trustees as part of his evaluation. Delta Gamma received its highest rating in years. Shown with Steve are (from left) Matt Ryan '02, Bob Riebel '66, Steve Rohe '71, and Terry Raulin '69.

### G.P.A. on the Rise

The chapter has also seen a vast improvement in academic performance and G.P.A. due to our commitment to scholarship policy and additional help from Faculty Advisor Jerry Miller. The chapter G.P.A. is 2.95, up from 2.87 last fall. Although we are still below the all-fraternity average of 3.02, we are taking the necessary steps to improve our G.P.A. and hope to report a 3.0 or better this spring.

### Influx of Athletes Nets a Fifth Place Finish at Greek Week

Pike has seen an influx of good athletes. Last year, we won the Division III intramural championship, resulting in our promotion to Division II. During fall Greek Week we won kickball, bandstand, and finished fifth of 30 fraternities in overall points.

### Thank You, Alumni

Our growth and success would not be possible if not for our dedicated alumni. Thank you for your unwavering support. We hope you stop by the house next time you are in Oxford to see first-hand all the great things going on at Delta Gamma!

organizational suggestions while reporting to Chapter Advisor **Bob Riebel '66**. Matt and Brandon are wonderful assets and have been enthusiastically welcomed by the chapter and Dodd Hall! **Dan Wolfe '62** comes aboard as a trustee, and Jerry Miller has been named faculty and academic advisor. He is the first faculty member we have had in this capacity in many years. Jerry is very active in his role and has made an immediate and positive impact.

Dodd Hall and the chapter wish you happy holidays and a prosperous new year. We thank you for your support and hope the success of the undergraduate chapter will encourage new contributions.

# Donna's Café Dedicated and Hal Jasper '49 Honored at Homecoming

Donna Churchman's children, Jenice and Curtis, cousins Charles Hunt and Carol Sleet, and best friend Marjorie Hagood gather around Donna's booth to watch the ribbon cutting at the café dedication ceremony.

Homecoming this year provided the perfect platform to have a dedication ceremony for Donna's Café, honoring longtime cook and unofficial housemother Donna Churchman. We also made a special tribute to Brother **Hal Jasper '49**. Hal was under the weather and unable to attend the ceremony but was well represented by family members. Donna's son, daughter, and friends were also in attendance to celebrate.

The ceremony and catered reception were two of the nicest Homecoming events Delta Gamma has had. Memorabilia and old composites adorn the walls of the café, giving the room a wonderful feeling of brotherhood. The café and TV room offer a very fitting tribute to two of the great supporters of Delta Gamma.

If you couldn't make it to the ceremony, please stop by the house on your next visit to Oxford!

B. J. Jasper, wife of Hal Jasper '49, accepted an award honoring Hal's 50+ years of service and dedication to the Delta Gamma Chapter.

Within Donna's Café is her special booth with corresponding memorabilia.

Inside the café there are two areas with 50" flat-screen TVs, one of which was purchased by the senior class of 2008-09. Brothers Ethan Basch '06, Evan Beggs '06, Mike Chaka '06, Jason Chambers '06, Brandon Edgar '06, Griffin Forkin '06, Jay Heller '06, Derek Messenger '06, Ted Rosen '06, and Alex Sigrist '06 donated half of their security deposit to purchase the TVs. We hope this gift starts a tradition of senior class gifts for the house.

This booth and memorabilia in the café honor Brother Hal Jasper '49.

This brass door plaque announces to all who enter that the café is dedicated in loving memory of Donna Churchman.

Even though Hal could not attend due to illness, he was well represented by his family, seen here sitting in his special booth: from left, children: Scott, Penra, Steven, Trevor, and wife, B. J.

## DELTA GAMMA INVOLVEMENT GAVE ALUMNUS EDGE IN AIR FORCE TRAINING

### Dan Wolfe '62 Counts ΠΚΑ Experience as One of Greatest in His Life

he newest member of the Dodd Hall Board of Trustees, **Lt. Col. Dan Wolfe '62, USAF (Ret.)** joined ΠΚΑ after going through rush his freshman year at Miami. "I was encouraged to join ΠΚΑ by friends who were already members. After visiting other fraternities I found that I really liked the men of Delta Gamma and the atmosphere at the ΠΚΑ house. There was a big cross section of men from different backgrounds and I really enjoyed that."

in the Air Force. I had an advantage over those who had not been exposed to a similar program."

After earning his bachelor's degree in business management, Dan joined the Air Force, where he became an F-16 pilot. He retired from the Air Force in his 50s and now works part time for Lockheed Martin teaching new and returning pilots in the F-16 simulator. His love of flying doesn't stop at the end of the work day; he is also a light aircraft flight instructor.

Dan met his wife, Jane, Bowling Green State University Chi Omega, during the summer vacation before his ΠΚΑ initiation. He recalls hitchhiking the three hours to visit her on the weekends and says, "I wore a suit and tie so I wouldn't look so scary to people driving by. I definitely do not recommend hitchhiking to anyone today—I consider myself lucky that nothing happened to me." He and Jane live in Fairborn, Ohio, and have a daughter, Christa, who graduated from Miami in 1994.

Looking back on his life thus far, Dan counts graduation from Air Force pilot training and the wonderful Pike brotherhood as major highlights of his life. "My time in Delta Gamma was one of the greatest experiences of my life. I encourage undergraduates to enjoy and savor their time in the chapter because it really does go by fast. Cherish this time and remember, the memories and friends made in Delta Gamma last a lifetime!"
